

I don't understand?

I need a  
fix-up strategy!

# Fix-up Strategy

A fix-up strategy is...

A tool I can use to help me  
when I don't understand  
what I'm reading.

**When I use comprehension fix-ups, I can...**

- **Look** at the graphs, charts, or pictures in the text.
- **Read** out loud.
- **Visualize** or make a picture in my head.
- **Re-read** the text.
- **Stop** and **think** about what I already know.
- **Ask** a friend!
